BOSTON POST CANE

The Town of Hermon has long participated in the tradition of the Boston Post Cane. This tradition was established in 1909 by Edwin Grozier, Editor and Publisher of the Boston Post Newspaper. On August 2, 1909 Mr. Grozier sent letters to 700 Boards of Selectman in Maine, Massachusetts, New Hampshire and Rhode Island asking them to be trustees of the 700 ebony, gold topped canes that he had commissioned to be made during the previous year. 431 New England towns responded to Mr. Grozier’s letter and received their special cane to be presented as an honor to each town’s oldest resident. The recipient held the honor as long as they lived. Upon death, the cane would be awarded to the next oldest resident. A stipulation in the letter was that the Cane would belong to the town and not the resident who received it.

Hermon proudly displays what is believed to be the towns original Boston Post Cane. It is generally believed the Boston Post Cane tradition of honoring each town’s oldest resident began in 1909 when the Boston Post gave gold-headed, ebony canes to 700 New England towns for that purpose. The intent was for town to loan the cane to the designated recipient. Over the years, many towns lost canes and many no longer honor the tradition. In 1930, after much controversy, eligibility was opened to women.

Hermon continues the tradition of honoring its oldest citizen by awarding a complimentary cane, while the original cane remains on display for all to enjoy.

**Do you know an individual who may qualify for the honor of holding the cane?
Please contact the Hermon Town Clerk at (207) 848-1010.**

BURN PERMITS

Burn permits are issued on class-1 and class-2 days through the state's online portal.

Visit the site below to check the fire danger report:

http://www.maine.gov/dacf/mfs/wildfire_danger_report/index.html

Where can I obtain a burn permit?

- Online 24 hours a day through the Maine Forest Service for no fee. (Site listed below).

Visit the site below for an online burn permit:

<https://www13.informe.org/burnpermit/public/index.html>

A burn permit is required by state law. The materials permitted for burning are restricted. Before burning or requesting a site inspection make sure your pile **doesn't** contain the following materials:

Pressure treated or painted wood	Plastics	Styrofoam	Insulation	Vinyl Siding
Rubber	Metals	Food Waste	Chemicals	Trash
Asphalt Shingles	Cardboard	Mattresses	Furniture	Tires
Tar	Paints	Furniture	Solvents	Sludge

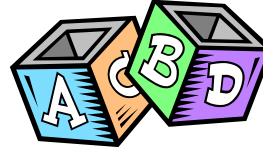

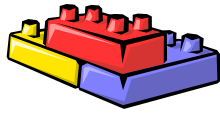

Standing Open Burning Rules

- Permits may be issued only on the day of the burn.
- Permits may be issued on class 1 & 2 days. Class day can be determined by going to the Maine Forest Service website at www.maine.gov/doc/mfs and clicking on the FIRE DANGER link. This can be done after 9a.m, when the site is updated.
- Burning will be conducted only after 5p.m. Burning before 5p.m. will require a site inspection from a Hermon Fire Department member. If there is snow cover, or if it's raining, a site inspection may not be required.
- If burning on rented property, written consent must be obtained from the landowner.
- A minimum of two people is required to be on site.
- Hand tools and a water supply (garden hose, buckets of water, etc.) are required.
- The Fire Chief, his designee, or any fire officer may make exceptions to any of the above requirements. Exceptions require a site inspection with the person requesting the permit. As an example, a person requesting to burn brush in the backyard of a residential area may be held to the after 5 rule or class 2 day only. While someone burning brush in a gravel pit with several hundred yards clearance to any exposure may have the conditions waved to suit the scenario.

Please call if you have any questions.

CONSUMER FIREWORKS ORDINANCE

Purpose:

The Hermon Town Council recognizes that, while the State of Maine has legalized the use of consumer fireworks, they still present a danger of injury and fire. To enhance the public safety and welfare of its citizens and community, the Council adopts this ordinance to prohibit use and sale of consumer fireworks in the Town of Hermon.

Definitions:

1. Consumer fireworks. “Consumer fireworks” has the same meaning as in 27 Code of Federal Regulations, Section 555.11 or subsequent provision, but includes only products that are tested and certified by a 3rd-party testing laboratory as conforming with United States Consumer Product Safety Commission standards, in accordance with 15 United States Code, Chapter 47. “Consumer fireworks” does not include the following products:
 - a. Missile-type rockets, as defined by the State Fire Marshal by rule;
 - b. Helicopters and aerial spinners, as defined by the State Fire Marshal by rule; and
 - c. Sky rockets and bottle rockets. For purposes of this paragraph, “sky rockets and bottle rockets” means cylindrical tubes containing not more than 20 grams of chemical composition, as defined by the State Fire Marshal by rule, with a wooden stick attached for guidance and stability that rise into the air upon ignition and that may product a burst of color or sound at or near the height of flight.
2. Display. Display means an entertainment feature where the public or provide group is admitted or permitted to view the display or discharge of the fireworks of special effects.

Prohibition:

No person shall use, possess with the intent to use in the Town of Hermon, sell, possess with the intent to sell in the Town of Hermon, or offer for sale consumer fireworks.

Exception:

This section does not apply to a person issued a fireworks display permit by the State of Maine pursuant to 8 M.R.S.A. 227-A.

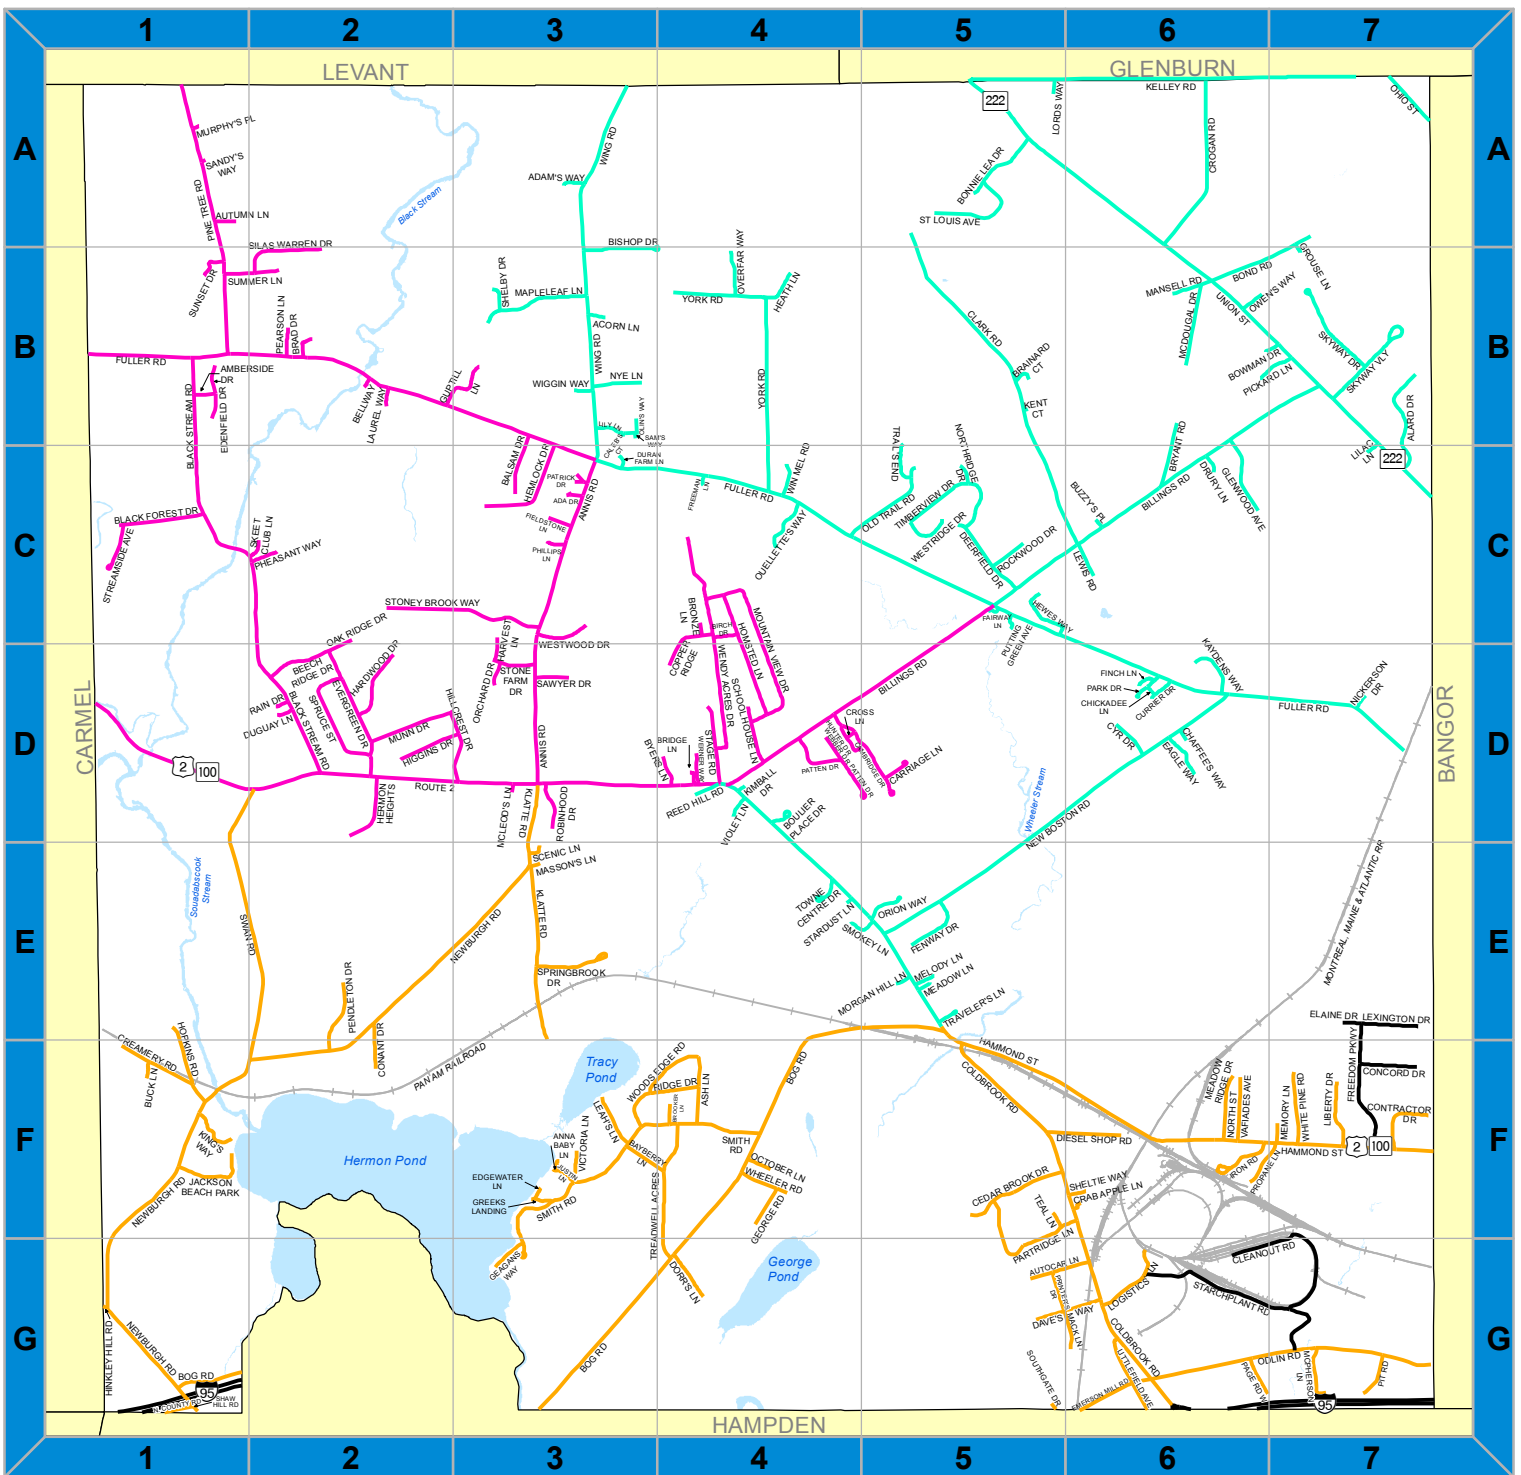

Seizure and Disposal of Fireworks:

The Town may seize consumer fireworks that the Town has probable cause to believe are used, possessed or sold in violation of this section and shall forfeit seized consumer fireworks to the State for disposal.

Per Maine State Law, "A dog may not be kept within the limits of the State, unless the dog has been licensed by its owner or keeper in accordance with the laws of this state."

Dog registrations are annual and can be obtained starting October 15th. A copy of the rabies certificate must be provided when registering your dog.

Registrations: An additional late fee begins on February 1st. Dog registrations allow the Town Office and Animal Control to locate the owners in the case of a lost dog being found.

A dog does not need to be registered until he/she is 6 months old.

Fees:

- Spayed or Neutered: \$6.00
- Not Spayed or Neutered: \$11.00
- Late fee (added onto the original license fee): \$25.00

Dog licensing fees pay for:

- Local Animal Control Officers and State Humane Agents
- Investigation of animal cruelty complaints and enforcement of Animal Welfare Laws
- Compliance with rabies vaccination of dogs
- Care for sick and injured stray animals
- Return of lost dogs to their owners

You may register your dog at the Hermon Town Office between 8a.m. and 4p.m.

If your dog has already been registered in Hermon, you may renew the registration online, by January 31st, at the following site:

https://www1.maine.gov/cgi-bin/online/dog_license/index.pl

To register your dog online, you will need:

- Credit Card
- License/Tag number (Renewal only)
- State of Maine Rabies certificate
- Veterinarian's name and phone number
- Spay or Neuter Certificate (If applicable)

Winter Driving Tips in Maine By Sgt. Gary Decker

If you find yourself hitting the roads during adverse weather conditions, consider these driving tips to stay safe during your journey:

1. **Inspect your vehicle.** Make sure you have adequate tires on the front and rear of your vehicle with good winter tire tread. Check your tire's air pressure to make sure it is adequate.
2. **Make sure your vehicle and windows are clear of snow and ice.** Maintain good visibility of the road and of others. Check your windshield wipers and replace them if needed.
3. **Drive slowly.** A good rule of thumb is to reduce speed by 50 percent in snowy and icy conditions. Leave enough distance between you and the vehicle in front of you in case you need to brake unexpectedly. Make sure you plan your trip accordingly and give yourself some extra time to reach your destination safely.
4. **Pack a winter travel safety kit.** Include a cell phone, ice scraper and brush, tow rope, blanket, flashlight with good batteries, lock de-icer, matches, and even some snacks and water in case you get stranded along your way.
5. **Keep a light touch on the controls.** Smooth operation is the key to keeping control in slippery situations. Nervousness can lead to a hard clench on the steering wheel, which can result in loss of control. Consciously loosen your grasp or stretch out your fingers from time to time to help prevent that white-knuckled grip.
6. **Know how to recover from skids.** When braking on a slippery road, it's all too easy to "lock up" your wheels by stepping on the brakes a little too hard. If you start to skid, steer the vehicle gently in the direction you want the front of your vehicle to go and don't touch your brakes. This used to be called "turning into the skid," but tests have shown that drivers often misinterpret these words in real-life situations.
7. **If you get stuck, stay in your vehicle.** Stay warm and wait for assistance. Don't stand outside of your vehicle as another vehicle could lose control and skid in your direction. Stay in your vehicle for protection. Make sure that your exhaust pipe is clear of any obstructions, including snow and ice; if you don't, carbon monoxide gas can build up inside the vehicle.
8. **Most of all DRIVE SAFE!!**

ELECTRONIC & HAZARDOUS WASTE DISPOSAL

What is Household Hazardous Waste? How do I know if the item I wish to dispose of is hazardous?

Household hazardous waste cannot be included in your regular trash that is collected curbside. Hazardous waste contains chemicals that pose significant environmental hazards if not properly disposed of. Common examples of household hazardous waste are as follows:

Latex & Oil Paint	TVs	Pesticides & Insecticides	Florescent Lights
Thermometers & Thermostats	Oil & Gasoline	Computer Monitors	Cleaning Products & Chemicals

If you have a question about whether the material you wish to dispose of is hazardous and if it should/should not be included in your regular trash collection, please contact the town office at (207) 848-1010.

How do I properly dispose of Household Hazardous Waste?

Latex Paints

Allow the paint to evaporate by taking the lid off. Cat litter can be added to the can to fasten drying time. Once the paint is dried out, place the can with contents into 2 trash bags. Place in normal trash for pickup.

Oil-Based Paints, Varnishes & Polyurethanes

Oil based paints, varnishes & polyurethanes are considered hazardous waste and must be properly disposed of. The best way to dispose of paint is to use it! If you cannot use it, try giving it away or donating it to an organization that can.

Dispose of waste paint through the Maine Paint Care program:
<http://www.paintcare.org/drop-off-locations>

Car, Lawn Mower, and Boat Batteries

Residents should consider returning these to the place they were purchased or call AIM at (207) 947-3710 to inquire about disposal.

Pesticides / Insecticides

Once a year, usually in the fall, the Maine Pesticide Board provides a free collection of obsolete pesticides. To participate, you must send in a registration form that will include information of what you plan to bring to the collection.

To learn more, please visit: <http://www.thinkfirstspraylast.org>

If you cannot participate in the annual obsolete pesticide collection, please call the Maine Board of Pesticides Control at (207) 287-2731.

For All Other Household Hazardous Waste

You can contact the Bangor office of the Maine Department of Environmental Protection at (207) 941-4570 to find out about additional ways to dispose of hazardous waste.

The Maine Environmental Depot, located in Lewiston, accepts household hazardous waste from any Maine citizen. To learn more about the depot, please call: (207) 786-7390.

In addition, residents can also call the following local waste management facilities to inquire about hazardous waste disposal:

- Pine Tree Waste: (207) 862-4200 Ext. 220
- Wesco Distribution: (207) 942-6713
- Casella Waste Systems (207) 593-3185

GENERAL ASSISTANCE

General Assistance Overview

The General Assistance Program is intended to assist people who are in need and have nowhere else to turn. It provides assistance for basic necessities such as rent, food, personal and household supplies, medication, heating fuel, utilities and other essential services. All assistance granted is in voucher form. No cash assistance is granted.

How to Apply

Applications for General Assistance are available at the Town Office upon request.

When Assistance is Granted

The administrator must issue a written decision within 24 hours of receiving a completed application. If you have not provided all the information needed to determine your eligibility you may be deemed ineligible until the information is provided.

Eligibility

With the exception of “first time” applicants, anyone applying for General Assistance must document their use of income. Current receipts showing how income has been spent are required. Only receipts for basic necessities are considered allowed expenses, which include but are not limited to food, rent, heating fuel, utilities, medication and work related expenses. **Spend your money only on basic necessities and keep your receipts.**

Confidentiality

The information concerning your request for assistance, including the application, budget sheet, decision and other information regarding your case is strictly confidential. You, your attorney, the administrator and certain government personnel may review your records, but the general public may not review your records unless you have given your express permission.

Fraud

If the administrator finds out that you have not told the truth, you will be disqualified from receiving GA for 120 days. In addition, the administrator may refer your case over to the Police Department or District Attorney's Office for committing General Assistance fraud, which is a Class E crime. The administrator does not want to disqualify you or get you in trouble with the law, so make sure to always tell the truth when you apply for General Assistance.

The Hermon Town Office accepts cash, checks, and credit/debit cards as payment. The use of a debit or credit card adds an additional 2.5% of the transaction for the bank transfer fee.

Rapid Renewal:

If you have registered your vehicle in Hermon, and your vehicle is registered for under 12,000lbs, you are able to process any further registration renewals, for that vehicle, online at the following site:

<https://www1.maine.gov/online/bmv/rapid-renewal/>

Vehicles 1995 and newer require a title. Vehicles 1994 and older no longer require a title

EXCISE TAX

What is excise tax?

Excise tax is an annual tax that must be paid prior to registering your vehicle. Except for a few statutory exemptions, all vehicles registered in the State of Maine are subject to excise tax.

Excise tax is defined by State Statute as a tax levied annually for the privilege of operating a motor vehicle or camper trailer on the public ways.

Where do I pay excise tax?

Excise tax is paid at the local town office where the owner of the vehicle resides. When your vehicle needs to be registered, excise tax is collected prior to the registration.

How much is excise tax?

The amount of tax you pay depends on two things:

1. The age of the vehicle
2. MSRP (manufacturers suggested retail price)

Excise tax is calculated by multiplying the MSRP by the mil rate as shown below. The rates drop back on January 1st of each year.

First Year	.0240 mil rate
Second Year	.0175 mil rate
Third Year	.0135 mil rate
Fourth Year	.0100 mil rate
Fifth Year	.0065 mil rate
Sixth Year	.0040 mil rate

For example, a 3 year old car with an MSRP of \$19,500 would pay \$263.25 in excise tax.

$(\$19,500 \times .0135 = \$263.25)$

Where does the tax go?

The town that collects the excise tax can use it as revenue towards the annual town budget. Typically, the revenue is spent on local road maintenance, construction, and repairs.

Why is the tax based on the MSRP?

Excise tax was designed with equity in mind. In 1925, this tax was enacted as a Maine Law. At the time, the Legislature decided that the fairest tax assessment would be based on what the manufacturer suggest it sell for. This law has remained in effect for over 75 years to ensure that everyone who drives the same vehicle is paying the same amount of tax.

The Maine State Statues regarding excise tax can be found in Title 36, Section 1482.

Frequently Asked Questions (FAQ)

Q: How do I prove that I am a Hermon resident?

A: Residents wishing to use the transfer station must purchase a vehicle window sticker at the Town Office or the transfer station with a valid vehicle registration. The sticker is to be placed on the inside windshield of the vehicle transporting the waste. The cost per sticker is \$10.00 **(No commercial/contractor use will be accepted)**.

Note: The Hermon Transfer Station accepts only residential materials generated in Hermon.

Q: What materials will not be accepted at the Hermon Transfer Station?

A: Examples of unacceptable waste include: hazardous waste, paint, tires, auto parts, shingles, chemicals, any liquid waste, waste oil, medical-related waste, pathological waste, dead animals, abandoned or junk vehicles, tree stumps, telephone poles, railroad ties, metal panels greater than 8 feet long, friable asbestos materials, pesticides, sealed drums, pressurized gas cylinders & tanks (full or partially full), hot ashes, odiferous waste, and wastewater sludge.

Q: Where can I take a large amount of construction debris?

A: Construction and demolition debris can be taken to the Pine Tree landfill located off the Emerson Mill Road in Hampden. Please call Pine Tree at 207-862-4200 if you have any questions regarding dates, times, or fee schedules.

Q: Does the Town of Hermon recycle?

A: Zero sort and cardboard recycling is available at the Town Office parking lot. Cardboard boxes must be broken down before disposal.

Q: Does the Town of Hermon have specialty recycling at the Transfer Station?

A: Yes, specialty recycling includes, but is not limited to electronics waste, televisions, monitors, and fluorescent lamps.

Q: Does the transfer station take grass clippings and leaves?

A: Yes, the transfer station now accepts clean leaves and grass only at our compost area – free of charge. Contaminated grass and leaf waste will not be accepted at the compost area.

Q: How do I dispose of brush and tree limbs?

A: We do not accept. We are unaware of a company accepting brush or tree limbs.
